**From:** WoffordNews WoffordNews@Wofford.Edu  
**Subject:** MESSAGE FROM PRESIDENT SAMHAT: Wofford committed to equity, diversity  
**Date:** September 3, 2019 at 9:05 AM  
**To:** Wofford Staff and Faculty WoffordStaff@Wofford.Edu, Wofford Students WoffordStudents@Wofford.Edu

Dear Wofford College Community,

As we return to campus and welcome new faculty, staff and students, it is an opportune time to remind our community of our shared interest in and commitment to creating a safe and welcoming environment in which we are all able to thrive. To that end, Wofford is committed to gender equity and to supporting the survivors of sexual harassment and assault. To support this commitment, the college has enlisted faculty and staff across campus who are dedicated to diversity, equity and inclusion to serve as resources and to provide educational opportunities and support for the community throughout the year.

Being part of the Wofford College community means that we all play a role in the shared responsibility of ensuring our community is free from discrimination and harassment; committed to gender equity and inclusion; and open to education and conversation about different beliefs and experiences. We encourage you all to become involved in Wofford's diversity, equity and inclusion initiatives by reaching out to any of the members of the Presidential Committee on Diversity and Inclusion as well as Begoña Caballero-García, Ramón Galiñanes Jr., Nadia Glover and Arsenio Parks.

We recognize that, despite the efforts of our community members, incidents occur that need to be addressed. The college encourages individuals who experience or witness discrimination or harassment to make a report to the college, and it will protect those who express concerns about the conduct of any administrator, faculty or staff member, or student. The college has implemented two policies that address discrimination and harassment for our entire community: the Discrimination and Harassment Policy, which can be found here:

<https://www.wofford.edu/Wofford.edu/Documents/Diversity%20and%20Inclusion/DiscriminationPolicy.pdf>; and the Sexual and Gender-based Misconduct Policy, which can be found here:

<https://www.wofford.edu/Wofford.edu/Documents/Administration/Title%20IX/SexualAndGenderBasedMisconductPolicy.pdf>. These policies explain the college's response processes, reporting options and available resources. Both policies are overseen and reports investigated by trained college employees. To learn more about Wofford's response to reports of discrimination and harassment, contact the Title IX & ADA Coordinator and Interim Bias Incident Response Team Coordinator Amanda Estabrook at [estabrookar@wofford.edu](mailto:estabrookar@wofford.edu) or 864-597-4047.

I look forward to working with all of you all this year as we continue expanding our educational efforts and strengthening our community.

Best,

Navef

The Wofford College community counts among its members many from the coastal areas of Florida, Georgia and the Carolinas. Although it looks like Upstate South Carolina will be spared the effects of Hurricane Dorian, our thoughts remain with those who will feel the brunt of the storm.

We know this is an incredibly stressful time for those worried about families, friends, pets and communities back home. Remember, Wofford has a support network that always is available to you, and the Wofford Wellness Center is a good place to start. Visit [Wofford.edu/wellnesscenter](http://Wofford.edu/wellnesscenter), email [counselingservices@wofford.edu](mailto:counselingservices@wofford.edu) or call 864-597-4356. You also may contact me at [president@wofford.edu](mailto:president@wofford.edu) or 864-597-4010 if I can be of assistance.

Terriers take care of each other, and I have complete confidence in this community's ability to comfort and support each other. Thank you all for the care you will give each other in the coming days as the hurricane climbs the coast.

**Location:** Wall Street (145 W Main)

**Location:** Richardson Family Art Gallery (RSRCA)

**Cost:** Free

**Details:** The exhibition "Otherness: Hiding in Plain Sight," on display in the Richardson Family Art Gallery until Oct. 12, explores outsiders' perspectives and the impact of "Othering." During the creative process, artist Lee Ann Harrison-Houser pursues authenticity and begins to reveal untold stories in her work. However, she instinctively hides within the mark-making with her use of symbolism, sgraffito, and abstraction. Layer after layer of gesso and paint erase her disclosures. Subsequently, the art installation shares these stories only in a type of Hide-and-Seek game for the viewer. For deeper connections, the viewer physically moves to a separate space to match the conceptual titles back to the abstract squares. Through this physical movement and mindfulness, the storyteller role shifts away from the artist and moves to the viewer to create awareness, conversation, and the momentum for change. Join us at 7 p.m., on Sept. 19 for a free gallery talk and reception with Harrison-Houser in the Rosalind Sallenger Richardson Center for the Arts. This event is part of Spartanburg's monthly ArtWalk series.

**Details:** The exhibition "Otherness: Hiding in Plain Sight," on display in the Richardson Family Art Gallery until Oct. 12, explores outsiders' perspectives and the impact of "Othering." During the creative process, artist Lee Ann Harrison-Houser pursues authenticity and begins to reveal untold stories in her work. However, she instinctively hides within the mark-making with her use of symbolism, sgraffito, and abstraction. Layer after layer of gesso and paint erase her disclosures. Subsequently, the art installation shares these stories only in a type of Hide-and-Seek game for the viewer. For deeper connections, the viewer physically moves to a separate space to match the conceptual titles back to the abstract squares. Through this physical movement and mindfulness, the storyteller role shifts away from the artist and moves to the viewer to create awareness, conversation, and the momentum for change. Join us at 7 p.m. on Sept. 19 for a free gallery talk and reception with Harrison-Hauser in the Rosalind Sallenger Richardson Center for the Arts. This event is part of Spartanburg's monthly ArtWalk series.

**Re:** Wofford Annual Security and Fire Safety Report 2019 (Clery Report)

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act requires all postsecondary institutions receiving federal aid to publish and distribute an Annual Security and Fire Safety Report by Oct. 1 each year. The Annual Security and Fire Safety Report includes specific campus crime and fire safety statistics and policies for the college. In addition to making the data available to current students and employees, colleges and universities must submit crime statistics to the U.S. Department of Education and notify prospective students and employees that the report is available at the following web address:

<https://www.wofford.edu/Wofford.edu/Documents/Student%20Experiences/Campus%20Safety/CleryReport2019.pdf>

The report contains descriptions of the college's various fire safety and security policies and statistical crime and fire safety logs to include the Department of Campus Safety's relationship with other agencies, security services, crime reporting, sexual assault and missing student policies, and various crime reporting and education programs.

In addition to accessing the report at the above link, prospective students and employees may request a printed version of the report at no charge by contacting the Wofford College Department of Campus Safety at 864-597-4351 or Randy Hall, director of campus safety, at [halljr@wofford.edu](mailto:halljr@wofford.edu) and requesting the copy. The report also may be obtained by visiting the Department of Campus Safety in the Campus Life Building located at 301 Evins St., Spartanburg, S.C. 29303.

**Subject:** MESSAGE FROM PRESIDENT SAMHAT: Seeking a leadership team for United Way campaign  
**Date:** September 30, 2019 at 2:27 PM  
**To:** Wofford Staff and Faculty WoffordStaff@Wofford.Edu

---

Colleagues:

Wofford again will provide faculty and staff the opportunity to participate in the United Way of the Piedmont's annual campaign this fall. Dates for our campaign have not yet been set.

The United Way connects people and organizations across our community who bring passion, expertise and resources needed to address issues in the community. Last year, through innovative partnerships such as United Way's Gifts in Kind Center, the Volunteer Income Tax Assistance program (for which Wofford faculty and students volunteer), the Retired Senior Volunteer Program, Ameri\*Corps VISTAs and a variety of corporate and individual volunteer projects, the United Way of the Piedmont multiplied the impact of each gift. Every dollar given became \$5.83 in goods and services for our community.

We will be taking up the challenge again to help transform our community by supporting the United Way of the Piedmont campaign.

To do that, we are seeking a leadership team of one faculty member and one staff member to coordinate this important effort on campus. By volunteering as a leader of our campaign, you will be a driving force in Wofford's commitment to the Spartanburg and surrounding community.

Please consider filling one of these important volunteer roles. The United Way will provide the resources and guidance to conduct a successful campaign, and the leadership team will have the full support of the President's Office.

If you are interested in volunteering for the leadership roles, please email Tonya Bryson at [brysonk@wofford.edu](mailto:brysonk@wofford.edu) by 5 p.m. Tuesday, Oct. 15.

I appreciate your consideration of this request, and when the time comes to support the campaign, I hope you will participate generously.

Nayef
